TECH SKILLS

- PHP (Phalcon, Laravel)
- Java
- React(Vue, Next,js)
- Kotlin
- Python
- Bash
- Figma

SOFT SKILLS

- Problem Solving
- Analytical Skills
- Creativity
- Team Player
- Communcation

LANGUAGES

- English (Fluent)
- Sinhala (Native)

PROFILE

I am a final-year undergraduate student pursuing a degree in Computer Science with substantial industrial experience. Throughout my academic journey, I have developed a robust foundation in software development, data analysis, and algorithm design. My hands-on experience in the industry has equipped me with practical skills and an understanding of real-world applications, enhancing my problem-solving abilities and technical expertise.

WORK EXPERIENCE

- **Software Engineer - Intern - June 2023 to June 2024**
  Vetstoria
  - Worked on the real-time online appointment booking system implementing new features and resolving issues.
  - Worked on the fill rate dashboard analytics system implementing new features both user and developer ends and resolving existing issues.
  - Worked on the company system migrations to the newest PHP versions.
  - Worked on AWS dashboards for customer analytics.

EDUCATION

- **BSc. Computer Science - 2022 to present**
  University of Westminster

  Currently a final year undergraduate following BSc. Computer science degree in Informatics Institute of Technology (Sri Lanka) affiliated with University of Westminster (UK).

- **BSc. Physical Science Undergraduate - 2022 to present**

  South Eastern University of Sri Lanka

  Currently a second year undergraduate following Bsc. Physical Science degree in South Eastern University of Sri Lanka.

- **Kingswood College Kandy - 2007 to 2020**

  G.C.E. Advanced Level - Physical Science stream 2020
  - Physics - C
  - Chemistry - C
  - Combined Mathematics - S
  - General English - A

PROJECTS

- **Prettify (Group Project)**
  A face beautification application using a machine learning approach. (Python, Open CV, Flutter)
- **Dice Maniacs**
  A Dice Roller game mobile application using Android Studio. (Kotlin, Android XML)
- **Employee Management System**
  A doctor management system designed with CRUD operations capabilities designed according to OOP concepts (Java, Java Swing)
- **Business Management System**
  A fuel station management system with CRUD operations. (Java, JavaFX)
- **Formula-1 Web Store (Group Project)**
  Web store with e-commerce facillities. (HTML5, CSS3, Bootstrap, JavaScript)
- **Student Progress Calculation System**
  Student credit prediction system. (Python)

EXTRA-CURRICULAR ACTIVITIES

- **President Scout of Sri Lanka 2019.**
- **Member of the Rotaract Club of IIT.**
- **Member of the AISECC Sri Lanka.**
- **Member of the school senior prefect court.**
- **Member of the school swimming team.**
- **Member of the school basketball team**
